## MORE ENERGY AT OUR LOWEST RATE WITH MEDICAL BASELINE

There is nothing more important than your health. That's why we created the Medical Baseline Allowance program. Specifically designed for households that rely on in-home medical equipment, this program allows you to use more electricity at our lowest rate, which can lower your overall monthly energy costs, assuming consistent electricity use.

### A Medical Professional's Signature is Required After June 30, 2021

With the end of most COVID-19 Consumer Protections on June 30, all applications will now require the signature of a medical professional. This can be a Medical Doctor (MD), Doctor of Osteopathy (DO), Physician Assistant (PA) or Nurse Practitioner (NP).

Your utility company may provide an option for signing electronically. Click on their link in the Apply Now section above to find out more.

### Be Prepared: Get Alerts from Your Utility

When you depend on in-home medical equipment, outages can be even more critical. We're here to help.
