MEDICAL BASELINE PROGRAM

Energy for What's Ahead®

MEDICAL BASELINE PROGRAM:

WHAT IS MEDICAL BASELINE

- The Medical Baseline Program is **for residential customers who rely on power** to operate medical devices, equipment for certain conditions or who have mobility needs
- The MBL Program is **NOT an income eligibility program.**
- Customers enrolled in the MBL program receive **additional electricity, per day, at the lowest rate.**
- Patient must be a **full-time resident in the home.**
- Enrollment in the MBL program lets the utility know that someone in the home relies on medical equipment and **may be disproportionately affected during power outages.**

MEDICAL BASELINE PROGRAM:

DO I QUALIFY?

- The following are a few examples of qualifying conditions or devices that meet eligibility for the program. A complete list can be found on our dedicated web page www.sce.com/medicalbaseline
- We encourage customers to NOT disqualify themselves if they do not see their medical condition or device listed on the utility's websites.
- We recognize that new devices and technologies are being introduced regularly and evaluate every application, and condition/device, for eligibility.

Examples of Qualifying Devices or Conditions

- | | |
|---|--|
| • Dependency on life-support equipment | • Aerosol tent |
| • Paraplegic, hemiplegic, or quadriplegic | • Hospital bed |
| • Multiple Sclerosis | • Apnea Monitors |
| • Scleroderma | • Breathing Machine |
| • Life-threatening illness or compromised immune system | • Dialysis machine |
| • Temperature sensitivity (heating or cooling) | • Electronic nerve stimulator |
| • Hospice | • Nebulizer |
| | • Infusion pump |
| | • Motorized wheelchair |
| | • Oxygen generator/concentrator/compressor |
| | • Suction machines |
| | • Iron Lung |

MEDICAL BASELINE PROGRAM:

APPLYING FOR SCE'S MEDICAL BASELINE PROGRAM

MEDICAL BASELINE PROGRAM:

HOW TO APPLY?

- Southern California Edison (SCE) makes applying for the Medical Baseline Program as convenient as possible by providing the following options to its customers:
 1. Applying online on the utilities' websites, or
 2. Printing an application from the utilities dedicated Medical Baseline website and mailing it in, or
 3. Calling the utility Customer Service number to request an application be mailed
- Caretakers, family members or agents providing support to qualifying individuals can also assist their clients in applying for the program
- Qualified Medical Provider signature is required
- Applications for enrollment are processed within 30-days of receipt

MEDICAL BASELINE PROGRAM:

APPLYING ONLINE - WWW.SCE.COM/MEDICALBASELINE

The Application Process

Step 1: Qualification

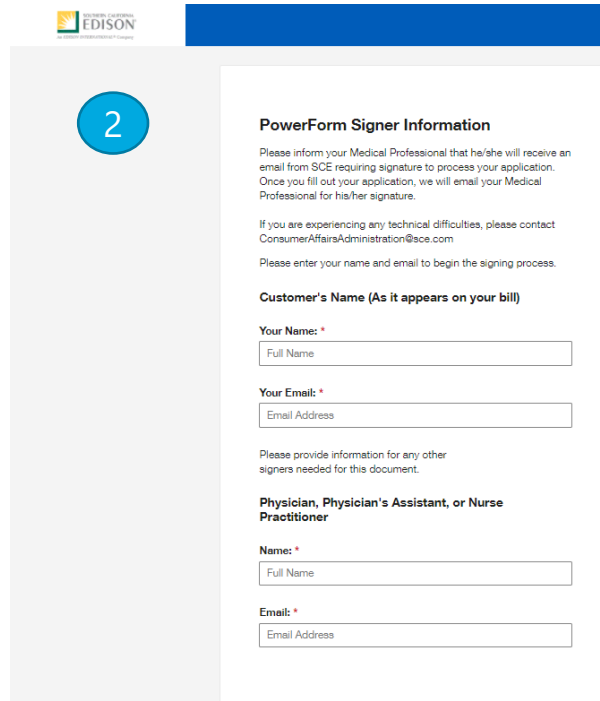

Step 2: Apply

Step 3: Re-Certification

Submit An Application

1

- [Enroll Online](#) For customers who are unable to enroll online, please download the following application, print, and complete pages 1 and 2, and mail the application to SCE.*

2

PowerForm Signer Information

Please inform your Medical Professional that he/she will receive an email from SCE requiring signature to process your application. Once you fill out your application, we will email your Medical Professional for his/her signature.

If you are experiencing any technical difficulties, please contact ConsumerAffairsAdministration@sce.com

Please enter your name and email to begin the signing process.

SCE MEDICAL BASELINE ALTERNATE CONTACT INFORMATION:

SCE is gathering customer information for communication enhancements. After April 2011, in addition to our current communication methods (i.e. phone and mail), SCE will have the capability of communicating with you via e-mail, text messaging, and for the hearing impaired, via teletypewriter (TTY).

Please indicate your preferred method to receive planned or rotating power outage information from SCE and provide the information needed to contact you by your selected method:

<input type="radio"/> Phone (please indicate telephone number): ()	<input type="radio"/> TTY (please indicate telephone number): ()
<input type="radio"/> Text message (please indicate cell telephone number): ()	
<input type="radio"/> E-mail (please indicate e-mail address):	

CUSTOMER UNDERSTANDS THAT:

- 1 If a doctor certifies the resident's medical condition is permanent, the Medical Baseline resident must complete a form self-certifying his/her continued eligibility for Medical Baseline every two years.
- 2 If a doctor certifies the resident's medical condition is not permanent, the Medical Baseline Resident must complete a form self-certifying his/her continued eligibility for Medical Baseline each year and the customer must submit a new application with a doctor's certification every two years.
- 3 If the resident is visually impaired, the customer may contact SCE to request special notification when either re-certification (to complete a new application with a doctor's certification) or self-certification forms are mailed.
- 4 SCE cannot guarantee uninterrupted gas and electric service and customer is responsible for making alternate arrangements in the event of a gas or electric outage.

I certify that the above information is correct. I also certify that the Medical Baseline resident lives full-time at this address, and requires or continues to require the Medical Baseline Allowance. I agree to allow SCE to verify this information. I also agree to promptly notify SCE if the qualified resident moves or no longer requires the Medical Baseline Allowance.

Customer Signature:	Date:
---------------------	-------

The Standard Medical Baseline Allowance is 16.5 kilowatt-hours of electricity per day (0.822 therms of natural gas per day), which is in addition to your standard Baseline Allocation. If this allowance does not meet your medical needs, please contact SCE at 1-800-448-6620 to discuss additional amounts.

SCE 14-746 REV 2/11

MEDICAL BASELINE PROGRAM:

APPLICATION – PART 2

- Part 2 is to be completed by licensed medical provider
- This section provides important information to SCE so the appropriate number of allocations can be provided
- If the equipment is required for life-support purposes the account is flagged as Critical
- The term of the need is also required on this part of the application
- Physician's signature is required at the closing of the application

Medical Baseline Allowance Application

PART 2: TO BE COMPLETED BY A LICENSED MEDICAL DOCTOR (M.D.) OR DOCTOR OF OSTEOPATHY (D.O.)

I certify that the medical condition and needs of my patient *(please print)*:

Patient's Last Name:		First Name:	
----------------------	--	-------------	--

1. REQUIRES USE OF A LIFE-SUPPORT DEVICE * *(check one)* ☐ Yes ☐ No

The following life-support device(s) is (are) used in the above-named patient's home:

Device:	<input type="radio"/> Electricity	<input type="radio"/> Gas
Device:	<input type="radio"/> Electricity	<input type="radio"/> Gas
Device:	<input type="radio"/> Electricity	<input type="radio"/> Gas

* A qualifying life-support device is any medical device used to sustain life or relied upon for mobility. This device must run on gas or electricity supplied by SCE. It includes, but is not limited to, respirators (oxygen concentrators), iron lungs, hemodialysis machines, suction machines, electric nerve stimulators, pressure pads and pumps, aerosol tents, electrostatic and ultrasonic nebulizers, compressors, IPPB machines, kidney dialysis machines, and motorized wheelchairs. **Devices used for therapy rather than life-support do not qualify.**

2. REQUIRES HEATING AND COOLING:

Standard Medical Baseline Allowances are available for heating and/or cooling if the patient is Paraplegic, Quadriplegic, Hemiplegic, has Multiple Sclerosis or Scleroderma. Standard Medical Baseline Allowances are also available if the patient has a compromised immune system, life threatening illness, or any other condition for which additional heating or cooling is medically necessary to sustain the patient's life or prevent deterioration of the patient's medical condition.

Requires Standard Medical Baseline Allowance for heating: *(check one)* ☐ Yes ☐ No

Requires Standard Medical Baseline Allowance for cooling: *(check one)* ☐ Yes ☐ No

3. I CERTIFY THAT THE LIFE SUPPORT DEVICE(S) AND/OR ADDITIONAL HEATING OR COOLING WILL BE REQUIRED FOR APPROXIMATELY: *(check one)* ☐ No. of Years _____ or ☐ Permanently

4. HOW LONG CAN THE PATIENT SURVIVE WITHOUT USING LIFE SUPPORT EQUIPMENT? *(check one)*

☐ 2 Hours or Less ☐ More Than 2 Hours

- Radio
- Bill messages
- Connected TV
- Newsletters
- Newspapers
- 20 languages

You can reduce your energy costs if you rely on medical equipment at home.

If you use certain electrically powered medical devices at home, the Medical Baseline Allowance Program:

- Provides more electricity at the lowest available rate
- Has no income eligibility requirement
- No note from a medical professional is needed before June 30, 2021

In addition you can sign up for Outage Alerts to help you be better prepared for emergencies and Public Safety Power Shutoffs.

To find out if you qualify for a reduced rate, visit sce.com/medicalbaseline or call 1-800-655-4555.

Medical Baseline Power Allowances: How Hospitals Can Assist Patients

Southern California Edison (SCE) offers the following alert for hospitals on the utility's Medical Baseline Allowance program. If a patient or someone in a patient's household requires the regular use of electricity-powered medical equipment or other qualifying medical devices they may qualify for the program, which provides more electricity at the lowest baseline rate to help offset the cost of operating medical equipment.

Patients in this category can also sign up for critical alerts and notifications about outages, including Public Safety Power Shutoffs.

Social Media & Digital Ads

- Facebook, Instagram, Twitter

Southern California Edison (SCE)

If you rely on medical equipment or devices, we can help you reduce the energy costs in your home. Find out if you qualify for our Medical Baseline program.

Like Comment Share

You can get more energy at the lowest available rate if someone in your home uses medically required equipment.

If you depend on special medical equipment or devices to operate medical devices, SCE has a program to help reduce your electricity costs. The program is called the Medical Baseline Allowance. There is no income requirement, and many more qualify. Customers who sign up do not have to provide a credit check, medical professional letter, or other documentation. In addition, you can sign up for outage alerts and program updates during Public Safety Power Shutoffs and emergencies.

To find out if you qualify, visit www.sce.com/medicalbaseline or call 1-800-855-4555.

Direct Mail / Newspaper

INFORMING PARTNERS AND CUSTOMERS:

SCE's AFN LANDING PAGE

New informational landing page www.sce.com/afn

Customers will get information about PSPS alerts:

- How to signup for PSPS alerts
- How to update personal information

Customers will be able to self-certify prior to disconnections:

- The benefit to self-certification is that a courtesy field visit will be made to your residence prior to a disconnection as needed
- The Self-Certified status is valid for 90 calendar days

Educational Information & Resources for AFN Customers:

- Independent Living Centers in SCE's service territory
- 2-1-1 Information
- Customer programs & services
- Financial assistance information
- Emergency preparedness

INFORMING PARTNERS AND CUSTOMERS:

2-1-1 PARTNERSHIP

PG&E and SCE are partnering with the California network of 211s to provide customers, focusing on those who have Access and Functional Needs (AFN), with a single source of information and connection to available resources in their communities.

✓	24/7 connection point for all AFN households before, during, and after a PSPS (available via text or call)	
✓	PSPS education and connection to critical resources (i.e. transportation, portable backup batteries)	
✓	Live phone services in English and Spanish	
✓	300 additional languages available through tele-interpretation services

SCE PROGRAMS AND REBATES

Energy for What's Ahead®

MITIGATING IMPACTS OF PSPS:

EXPANDED CUSTOMER CARE PROGRAMS FOR AFN

CRITICAL CARE BACKUP BATTERY

Expanded fully subsidized Critical Care Backup Battery program to support all eligible Medical Baseline customers*

- **4,830** deployed to-date in 2021
- **5,551** cumulative since 2020
- **5,000+** forecasted by year-end

PORTABLE GENERATOR \$500 REBATE

Expanded to all Medical Baseline or income-qualified customers, and removed water pumping dependency

211 REFERRAL SERVICE

Offers services, outreach, and customer support to AFN customers

*Enrolled in Medical Baseline Allowance program, CARE or FERA, and in HFRA
Note: See appendix for a comprehensive list of programs

MITIGATING IMPACTS OF PSPS:

EXPANDED CUSTOMER ASSISTANCE

PORTABLE GENERATOR

\$200 REBATE

New rebate available to all HFRA customers

marketplace.sce.com

POWERSTATION BATTERY REBATE INCREASED TO \$75

Increased from \$50, available to all HFRA customers

marketplace.sce.com

DISCOUNTED HOTELS

Expanded number of hotels offering discounts to SCE customers in HFRAAs

sce.com/customerresources

MITIGATING IMPACTS OF PSPS:

SUPPORTING OUR COMMUNITIES

Keeping local officials updated to support their response efforts.

Consulting community, CBO, public health and local and tribal governments during each event.

8

COMMUNITY CREW VEHICLES (CCV)

Can be deployed rapidly for remote locations. Location and hours listed online before shutoffs.

63

COMMUNITY RESOURCE CENTERS (CRC)

Contracted and available based on potential shutoff locations. Location and hours listed online before shutoffs.

8*

RESILIENCY ZONES

Enable backup power generation at certain essential sites in remote communities.

* 5 ready; 3 in-progress

MITIGATING IMPACTS OF PSPS:

COMMUNITY RESOURCE CENTERS DURING PSPS

- Community Resource Centers (CRCs) and Community Crew Vehicles (CCVs) will be activated during PSPS events and generally operate from 8am to 10pm
- For locations of CRCs and CCVs during a PSPS, visit: <https://www.sce.com/psps>. Location information is also communicated to local governments and on social media sites (Facebook, Twitter, and Nextdoor)
- Services: Community demographics are considered to accommodate as many needs as possible
 - **Standard CRC Services** include PSPS event information, charging of personal mobile and medical devices (dependent on social distance safety), resiliency kit which includes pre-charged charger, bottled water and light snacks, chairs, tables, restrooms, cellular network services
 - All CRCs are ADA Compliant
 - SCE has contract with 63 CRCs
 - **Supplemental CRC services** are specific to community needs, such as bulk water, firewood and blankets (cold weather events)
 - **COVID safety protocols** implemented in 2020 and will continue until otherwise directed

Additional Resources

Energy for What's Ahead®

PROGRAMS AND SERVICES:

FOR AFN CUSTOMERS

- 63 Community Resource Centers (CRCs) & 8 mobile Community Crew Vehicles (CCVs)
- Cool centers administered by cities and counties from June 1 to October 15; SCE provides battery operated fans, snacks, water, etc.
- 8 Resiliency Zones (5 ready; 3 in-progress) which provide temporary generation to certain essential sites in communities (e.g., gas stations)

Resource Centers, Cool Centers, and Resiliency Zones

- At CRC and CCV locations, community members can access:
- Wi-fi, mobile charging for devices such as cell phones or medical equipment (available pending COVID-19 protocols), bottled water, light snacks
 - Firewood, blankets, bulk water, ice (dependent on weather and or location specific needs)
 - Cooling/heating, seating, refrigeration for medicine (some locations), ADA accessible restroom (all available at indoor CRCs only, pending COVID-19 protocols)
 - Resiliency kits are provided at CRC/CCV locations, and are in a tote bag with program fact sheets, resiliency items (e.g., LED backup lightbulb or flashlight, pre-charged solar phone charger), and PPE (hand sanitizer, mask)
 - Ice vouchers

Back Up Power Programs

- Critical Care Backup Battery (CCBB) program provides a right-sized, fully subsidized back-up battery with a solar panel for charging and a 3-year warranty to eligible customers (customers enrolled in Medical Baseline, California Alternate Rates for Energy (CARE) or Family Electric Rate Assistance (FERA), and in HFRAs)
- \$75 rebate for portable batteries for customers in HFRAs
- \$200 rebate for portable generators for customers in HFRAs
- \$500 rebate for portable generators for customers either enrolled in the Medical Baseline program or enrolled in CARE/FERA in HFRAs
- Statewide Self-Generation Incentive Program (SGIP)

Food, Transportation, Temporary Lodging

- 211 Referral Service (estimated launch in Sep. 2021): provide outreach, case management support in PSPS preparedness, and direct services (meal delivery, transportation, and temporary lodging for AFN customers)
- Discounted hotels also available in HFRAs

Medical Baseline & Self-Certify Sensitive

- Medical Baseline Allowance program supports our customers who rely on electrically powered medical devices, and provides additional electricity (16.5 kWh) at the lowest price per day
- If a household member has a condition that can be significantly affected by a disconnection of service, customers have the option to temporarily self-certify as sensitive for 90 days, which will enable an in-person visit, if contact cannot be made

Notifications and In-Event Management

- Medical Baseline customers will receive escalated contact attempts, including an in-person visit, if necessary, upon PSPS notification delivery failures
- Enrolled alert account holders of record to receive customer notifications before, during, and after PSPS events via phone, text, and email
- Non-account holders can receive zip code level alerts and alerts from social media/NextDoor
- Dedicated AFN Liaison Officer during events and coordination with CBOs (estimated for Sep. 2021)
- Back-up generator requests considered on an emergency basis

Income-Qualified & Disadvantaged Community (DAC) Programs

- CARE reduces energy bills for eligible customers by about 30%; FERA reduces electric bills for qualified households by 18%
- Energy Savings Assistance Program (ESAP); Low Income Home Energy Assistance Program (LIHEAP) referrals; Energy Assistance Fund
- Arrearage Management Plan (AMP) Program, California's Emergency Renters Assistance Program (ERAP) outreach, payment arrangements
- Single-Family Affordable Solar Homes (SASH); Disadvantaged Community Single-Family Affordable Solar Homes (DAC-SASH); Solar on Multifamily Affordable Housing (SOMAH)
- Electric vehicle programs; Disadvantaged Community pilots (e.g., San Joaquin Valley electrification pilot)
